July 2011

State Representative **Ben Albritton**

Please join us July 6th as we welcome newly elected State Representative Ben Albritton from district 66. Prior to serving in the State House Representative Albritton served our community in many other areas including the Florida Citrus Commission District 2, Hardee County Educational Committee and the Southwest Florida Water Management Workgroup.

Representative Albritton will speak to us on the upcoming redistricting and how it will affect us. For more information on redistricting go to www.floridaredistricting.org.

June Meeting

State Representative Seth McKeel was our guest speaker in July. Seth spoke on the difficulties of this years session and what they had to do in order to balance the budget. Making due with less tax revenue was just one of the challenges. Seth stated that other issues included a Healthy Schools act, unemployment compensation, tenure reform and corporate income tax reductions for small businesses.
